

## Private Golf Lessons

All private lessons are one hour long and taught in our state-of-the-art "On-Range Video Studio" with Swing View Pro Computer assisted golf training software. Includes student version Swing Viewer with swings, notes and practice assignments! Lessons are typically scheduled 1-2 weeks apart and are available individually or in packages.

## Benefits of Custom Club Fitting

- "The golf club should fit your swing, rather than have your swing fit the clubs!"
- "Regardless of your ability, the custom club fitting will benefit your game!"
- "We use Performance Fitting Systems from major manufacturers, such as Titleist, Mizuno, Ping and Callaway!"
- "All club Fitting sessions are performed by Chuck Will Golf Academy PGA Teaching and Certified Club Fitting Professionals using the following tools: Video Swing Analysis, Launch Monitor, Mizuno's "Performance Fitting System" and manufacturer's research data.

For more information on how custom club fitting can improve your game or to schedule a fitting appointment, ask to speak with one of our Golf Academy Staff Professionals!

## Create Your Own Group Class

Have three or more friends, family members or coworkers wanting to learn how to play golf? This option is a hole-in-one! Get a group of 4-8 people, then select one of our current class formats or let us help you customize your own class. Flexible scheduling and pricing is available to accommodate your individual needs. Can include video swing analysis and/or "On-Course Time". These classes could be a one-time offering or a multi-class program. **Build your class around your schedule and budget!**

## Get Golf Ready The On Course Experience

Open to anyone who has completed Get Golf Ready I or II. Students are taken on the golf course to apply their newly learned golf skills in a real golf course environment.

**\$50.00** per person for 9 hole round at Sterling Golf Club.\*  
Scheduling is done with each Staff Instructor. Course Fees Additional. \*Based on 4 players.
